Dear Ms. Stolarcyk

This responds to your July 4, 2017 Freedom of Information Act (FOIA) request 2018-00526-F. The Department of the Navy referred your request to the Air Force Installation & Mission Support Center for processing. The referral was received in our office on November 13, 2017 and seeks the following:

“all records regarding Northern Edge 2017 (NE 17) Gulf of Alaska training exercises from May 1, 2015 – July 4, 2017”

After researching your request, it was determined the Alaskan Command falls under Northcom and the records you requested may be maintained by Northcom. Therefore, we have referred your request to the HQ USNORTHCOM for processing and direct response to you. Please contact that office directly if you have questions regarding this request. Their contact information follows:
